PREFACE

It gives me immense pleasure to present the Annual Report for the year 2018-19. The report captures the progress made and tasks ahead in the journey towards our strategic goals and vision. The year not only eventful but also substantially added to the experience and learning of LKKB as team. Our sincere efforts during the period to bring about developmental changes continue unabated. So our belief in collective processes has only increased in this course.

The livelihood initiatives of LKKB have increased the life style of poor people in the rural area. Now rarely people wondering for food and in reality there is surplus of food near people. The farmers training & workshop encouraged farmers to adopt technique & knowledge to produce high-yielding crops with sustainability of land fertility. LKKB accredited as the District Training Site by NIOS, Noida, UP to develop skill of ASHA through its ASHA Certification Course to provide a legal and administrative framework within which the ASHAs will be eligible for providing community level cares for a range of illnesses. LKKB intervene with the issues on Child Labor, Gender discrimination, women and child rights, MGNREGA, RTI, Forest right Act, Right to food. Health issues in rural remote village are acute, LKKB initiated to intervene in these villages implementing HBNC Training programme of ASHAs, Training on HBNC+ and organized Health awareness programme to develop knowledge on preparation of Health plan and documentation process. And also started the activity aimed to aware about the status of Women in the Society, their own roles and responsibility, vision building and the need of working together in Boudh district along with Elected Women Representatives (EWRs).

The programmes we organize have, since inception reached to thousands of victims life across the project area. It is gratifying to see Tribal, Dalits, victims aspiring to transfer in to once with grater zeal, self-confidence, determination and productivity.

I would like to thank all our donors for their support. We have got moral & strategic support. Without the effort & commitment of sincere staff and all our well-wishers it could be impossible to success the objectives of LKKB.

With Pleasure I present the Annual Report of the Organization for the Year 2018-19.

Thanking You

**Puspita Pradhan
Secretary**
